**Symmetry Physical Therapy Receives 2011 Best of Pelham Award**

U.S. Commerce Association Honors the Achievement

NEW YORK, NY, September 6, 2011 -- Symmetry Physical Therapy has been selected for the 2011 Best of Pelham Award in the Physical Therapists category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional success in their local community by providing outstanding service. These local companies enhance the positive image of small business through service to their customers and community.

This is the first year that a business in this category has qualified as a Four-Time Award Winner. Various sources of information were gathered and analyzed to choose the winners in each category. The 2011 USCA Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and quality of service data provided by third parties.
